ABOUT ME

JEANNE CIMAGLIA

Jeanne Cimaglia is a trusted guide for clients navigating the real estate market with confidence and ease. Originally from the East End of Long Island, she came to Rhode Island for college, fell in love with Newport, and never left. It's where she met her husband, Pete, a Newport native, and where they've built a life raising their three boys.

Jeanne's approach to real estate is grounded in understanding her clients and delivering a seamless, well-managed experience. She knows that buying or selling a home is a meaningful decision, and she works to make the process clear, efficient, and rewarding. Whether it's identifying the right neighborhood, navigating a sale, or exploring investment opportunities, Jeanne provides thoughtful guidance every step of the way.

Outside of work, Jeanne is deeply connected to the community she serves. You'll often find her on the sidelines of her boys' games, at the beach, or out walking with her German Shepherds, Mac and Bruno.

As a member of The Fitzpatrick Team, Jeanne leverages proven, award-winning strategies to give her clients a competitive edge. The team closed out 2025 with 163 sales and 278 rentals, totaling over \$112 million in volume—earning recognition as the #1 RE/MAX Team in Rhode Island and the #3 team across all brands (*according to MLS 2025 data).

She also supports #LiveWell, the team's initiative focused on wellness and community engagement throughout Newport County.

For Jeanne, real estate is about helping people find the right place to call home—and guiding them there with confidence.

WHAT MY CLIENTS SAY

“SHE STANDS OUT AS A REALTOR!”

“When it came time to sell my home in Newport, I knew I needed someone who truly understood the local market. That’s why I went with Joe and Jeanne. With over 20 years of experience in Newport County, they brought invaluable knowledge to the table. Newport County is a unique market, and their expertise in how things change from year to year and season to season made all the difference. When we decided to sell last minute, Joe’s team was right there to help with everything, from repairs to staging ideas. Before Joe, I was facing delays of months with local contractors. But Joe’s crew took care of it all in no time. If you want more than just an agent, Joe and Jeanne are the team you need.” - M. Anderson

“I was incredibly lucky and impressed with Jeanne’s help in finding a rental property. As a military family, we had to move to the area sight unseen so Jeanne became a vital part of helping us understand the area. It felt like she dropped everything to help us find a house and fast. She was very responsive and took the time to understand our needs and answer our many questions. She was a partner while we looked together at possible homes. She gave us video and pictures galore to ensure we were comfortable moving into a contract. She diligently represented us to secure a competitive rental, and negotiated our lease terms in our favor. She is patient, detail-oriented and an exceptional broker, actually caring about her clients and always following through. In a short period of time, she gained my trust and when we moved in months later, we weren’t disappointed. I would hands down have her handle our real estate needs again and happily refer her as the best of the best.” - Heather E.

“I highly recommend the Fitzpatrick Team at REMAX. Joe Fitzpatrick and Jeanne Cimaglia played a crucial role in helping me find my home. They have a remarkable ability to prompt you to consider the things you might not typically think about, which opened my eyes to the potential of houses that may need some work. Throughout the process, they were incredibly patient and showed me a wide variety of houses until I finally found the right one. Their thoroughness in what they do is truly commendable.” - Albert G.

SIX STEPS TO SELLING YOUR HOME

PRICING & TIMELINE

CLOSING & MOVING

PRICING YOUR HOME

One of the most important decisions we'll make together is how to price your home. Strategic pricing isn't just about attracting attention - it's about generating the right interest from qualified buyers early on, which ultimately maximizes your return. Homes that are priced appropriately tend to sell faster, receive stronger offers, and avoid extended time on the market that can lead to reductions and diminished negotiating power.

We take an analytical, data-driven approach when pricing properties. By evaluating recent comparable sales, current market trends, active competition, and your home's unique features, we'll position your property to stand out. Our goal is to establish a price point that reflects fair market value, builds momentum from day one, and gives you confidence as we move toward a successful sale.

While it can be tempting to "test the market" and see what happens, overpricing often leads to unintended consequences. Properties that sit too long without activity can become stigmatized, prompting buyers to wonder what's wrong or assume there's room for negotiation. This can result in fewer showings, lower offers, and ultimately a weaker negotiating position. In many cases, overpriced homes end up selling for less than if they had been priced correctly from the start. By aligning with market realities and buyer expectations, we give your home the best chance to sell quickly, competitively, and on your terms.

ESTABLISHING YOUR HOME'S VALUE

The **SELLER** determines the price. The **BUYER** determines the value.

Your home's debut on the market is one of the most important moments in the entire selling process. It's your best chance to capture attention, generate interest, and create a sense of urgency among serious buyers.

That's why pricing isn't just a number - it's a strategy.

| \$ UNDERPRICED | \$ \$ MARKET VALUE | \$ \$ \$ OVERPRICED |
|---|---|--|
| <p>Decreases your future buying power</p> <p>Leaves money on the table by undervaluing</p> <p>Buyer may assume something is wrong</p> | <p>Better chance of a bidding war</p> <p>More likely to get an offer at or above list price</p> <p>Likely to sell quickly</p> | <p>May need a price drop, which can raise red flags</p> <p>Likely to sit on the market longer</p> <p>High price tag may deter buyers</p> |

PRE-LISTING PREPARATIONS

CLEANING AND SERVICING. We recommend hiring a deep cleaning service before the home comes to market. Short money upfront can go a long way and having your home's mechanical systems serviced now could prevent future issues discovered during a home inspection.

CONSIDER REPAIRS. It never hurts to identify and repair issues ahead of time, such as leaky faucets, drywall repairs, peeling paint, ceiling stains, bathroom caulking, etc. We have a contractor that I can connect you with for any property repairs you want to explore.

KITCHEN AND BATHROOMS. Clear off countertops. Leave your canisters and little else. Maximize the available counter space. These rooms should be gleaming. If unsightly, have the tub re-caulked and remove mineral deposits from the shower walls. Clean the stove, microwave, and refrigerator.

PAINT. Paint goes a long way and is a simple, straightforward way to enhance your home. If needed, investing in paint projects before listing can help cover old blemishes, lighten the appearance of the home, and create higher value perceptions.

LANDSCAPE. The first thing a buyer sees is your front yard; first impressions go a long way and curb appeal matters. Mow the lawn, mulch the beds, plant the flowers, and invest in the exterior appearance of your property.

LESS IS MORE! Less clutter is the best clutter. We want buyers to envision themselves in the space. Less furniture tends to help a room feel larger. Clearing things out now will also make moving a much easier process when your home is sold.

PROFESSIONAL SERVICE PROVIDERS

We have a trusted network of professional service providers who can assist with just about anything you might need - interior or exterior painting, deep cleaning, lawn care, junk removal, minor repairs, staging, and even full-service moving.

No matter the task, we have someone reliable to connect you with who understands the urgency and importance of preparing a home for sale.

Our goal is to make this process as smooth and stress-free as possible, and that starts with having the right resources in place. Let us know how we can help and where you'd like to begin - we'll tackle it together.

Together, we'll coordinate showings, Open Houses, and ensure your home is positioned properly.

HI NEIGHBOR! DO YOU KNOW OUR BUYER?

Community involvement plays an important role in the home selling process. Sending a thoughtful neighborhood letter is our way of keeping neighbors informed, extending a courtesy, and fostering a sense of collaboration. By sharing details about upcoming open houses and market activity, we create a positive atmosphere - and may even attract buyers from within the neighborhood itself.

SHOWING EXPECTATIONS

First impressions make a lasting impact, especially when it comes to selling your home.

A clean, well-lit, and comfortably temperate space sets the tone and immediately puts buyers at ease.

Paying attention to small sensory details - like lighting, temperature, scent, and background music - can create an immediate connection and leave a positive, lasting impression.

These thoughtful touches help buyers feel at home the moment they walk in, which can make all the difference.

OPEN HOUSES

For open houses specifically, we don't just *have* them, we *host* them.

Our open houses are an experience, whether it's a summertime BBQ that turns into a neighborhood block party or a luxury event that reflects the caliber of a high-end listing.

We will work together to discuss the most effective way to host an open house at your home.

We invest in creating a memorable atmosphere and have partnered with local businesses like restaurants, bakeries, florists, and even ice cream trucks to make our events stand out.

This approach means more activity, more foot traffic, more competition, and ultimately, the most exposure for your property.

NAVIGATING AND NEGOTIATING YOUR OFFERS

- **REVIEW.** We'll evaluate all offers based on price, terms, contingencies, and buyer strength.
- **COMMUNICATE.** We'll engage with each agent to understand their flexibility and strengthen our position.
